Cheap Trick have been one of America’s most popular and influential rock bands since I Want You To Want Me became a smash hit back in 1979. In fact, Cheap Trick will be celebrating its 50th anniversary in 2024 and **Those Men Inside My Brain** will be there to help reconnect long-time fans and introduce new audiences to the magic and excitement of the legendary band. What a great time to have a Cheap Trick band at your event!

Those Men Inside My Brain is ready to enliven your community festival, event, or concert venue with Cheap Trick’s power-pop hits, rockin’ concert classics, and riff-driven album favorites. The timeless and true music appeals to rock-n-rollers of all ages, from the Elvis/Beatles era (*Don’t Be Cruel, Ain’t That A Shame, Day Tripper*), to Trick’s own rise and stardom (*Surrender, I Want You To Want Me, Dream Police*), to their M-TV heyday (*Tonight It’s You, If You Want My Love, The Flame*), to their continued post-80s popularity (*That 70s Song, No Direction Home, Light Up the Fire*), to whatever excitement they have planned for their banner year in 2024.

Those Men Inside My Brain clearly connect to the visual and musical cues of early Cheap Trick while infusing their own energy and insight to the Hall of Famers’ best-known songs. Fans can sing along, dance, or throw up their rock fist as they relive the music of their youth (or experience it for the first time!). Either way, **Those Men Inside My Brain** will deliver an exciting, engaging, fun, and memorable rock-n-roll experience for your venue/event.
