ONE SHEET

Those Men Inside My Brain play the music of Rock and Roll Hall of Famers Cheap Trick.

Cheap Trick have been one of America's most popular and influential rock bands since I Want You To Want Me became a smash hit over 40 years ago. **Those Men Inside My Brain** (whose name comes from the song Dream Police) bring their mega-hits and concert favorites to today's rock-n-roll venues and community events with the energy and edge of an on-the-rise Cheap Trick.

Those Men Inside My Brain take their visual and musical cues from early Cheap Trick while infusing songs like Surrender, Ain't That A Shame, The Flame, That 70's Song (just to name a few) with their own energy, personality, and insight. The result is a fresh, dynamic show that appeals to longtime fans and new audiences alike.

Those Men Inside My Brain can play OPENER, FEATURE, or HEADLINER length sets from Cheap Trick's illustrious, concert-defining catalogue.

- Lengths of times and focus of material (70s, 80s, current, heavy, pop, etc.) can be tailored to fit any venue and audience along with the other bands on the bill.
- The band can provide a complete "At Budokan" performance to celebrate the landmark album.
